

Dear Valued Sponsor,

On May 31, 2026, Arlington Ridge Golf Club, Leesburg, FL, will host the annual International Women's Golf Day. Approximately 140 women who have a love for golf will attend. Women's Golf Day is a global celebration whose mission it is to engage, empower and support women and girls through golf.

In addition, and equally motivating, we are honored to give all fundraiser proceeds to Lake County Women's Advocates, a non-profit organization dedicated to supporting the Children's Advocacy Center to help stop child abuse.

We are currently seeking donations for prize drawings and silent auction items for this event. Through your support of this event, your business will be able to generate additional exposure and customers from many golf enthusiasts of Central Florida.

Donations may be sent to:

Anna Capozzoli
4106 Arlington Ridge Blvd
Leesburg, Fl. 34748

Thank you so much for your support.
