Lake County Women's Advocates a not-for-profit (5013c) organization founded in 1999 to promote sociability and neighborliness in the communities encompassing the Lake County area.

Not only are we women meeting in friendship, but we contribute and channel our efforts dedicating our time, services and financial aid to the **Lake County Children's Advocacy Center**, www.cac4kids.org

To Help Stop Child Abuse!

Lake-Sumter Children's Advocacy Center, intervenes, counsels and protects children of all ages against child abuse.

We support the **Advocacy** with our financial contributions from fundraisers and private donations throughout the year. Our December luncheon is **LCWA's** Annual Holiday Party, which is open to everyone.
